This manga is based on the Prologue, Maxi Idu e Itaru Mozi e Itaru Ido and the 7th Story of CD **Märchen** by the fantasy band Sound Horizon. The adaptation has been done according to the author's, Torikai Yasuyuki, interpretation on the original stories. Sound Horizon cherishes each person's own story interpretation. I would be honored if you could enjoy the world presented in this work as one interpretation among many others.
